CORPORATE PROPOSAL

Per your request,

We are forwarding the corporate menu list that we initially send to prospective new clients. Camelot Catering prides itself on custom preparation of menus to suit our client's budget and needs. As always with Camelot Catering these menus are just a starting point and we can create many other menus to your meet your requirements. All of our menus are priced to include personalized hands on service and all clean-up. We also custom design and decorate large cakes and could accommodate your needs in this respect. Camelot Catering can assist you in making arrangements for any rental items you might require for your events. I have also included a list of corporate references for your review. I look forward to speaking with you about how Camelot Catering can fulfill your company's needs.
